Prickly Pete

Prickly Pete, he had big feet,
so he went for a walk right down the street.
His feet made the sound cool drum beat.
It sounds a little bit like your heart beat.

JUMP WITH ME!

Prickly Pete, he was an athlete.
There were so many things he liked to eat.
Don't give him food that tastes too sweet,
or he won't get to play his cool drum beat.

STOMP WITH ME!

Prickly Pete, he was very neat,
he didn't do things that were off beat.
Let's get ready to repeat,
stand up and get on your feet.

CLAP WITH ME!

Bodhi the Bulldog

Bodhi the Bulldog, she looks really sad.
Bodhi the Bulldog, she's really glad.

So...Run Bodhi!

Bodhi the Bulldog, why the big frown?
Bodhi the Bulldog, won't you lie down?

So...Sleep Bodhi!

Bodhi the Bulldog, she eats too much.
Carrots and crackers, crunch-crunch your lunch!

So...Eat Bodhi!

Bodhi the Bulldog, a bath you must take.
Bubbles and bubbles, bubbles you'll shake.

So...Shake Bodhi!

Bodhi the Bulldog, your day is done.
Bodhi the Bulldog dance in the sun!

So...Dance Bodhi!

TRASH TRUCK

I'm at home, just looking out my window.
I've been waiting all week for this.

When will I see him?
When will he get here?

I just can't wait to see that
BIG TRASH TRUCK!

There he is, driving up,
look at that trash man and his
BIG TRASH TRUCK!

He picks it up and lifts it UP, UP, UP!
Dumps the trash, right in back.

So glad he's here at last!
TRASH TRUCK is here at last!

Shiny Star

Shiny Star I see you there. I've been looking for you everywhere
How do you shine so bright? I'm so glad I can see your light.
Shiny Star, there you are..

SHINE ON, SHINE ON!

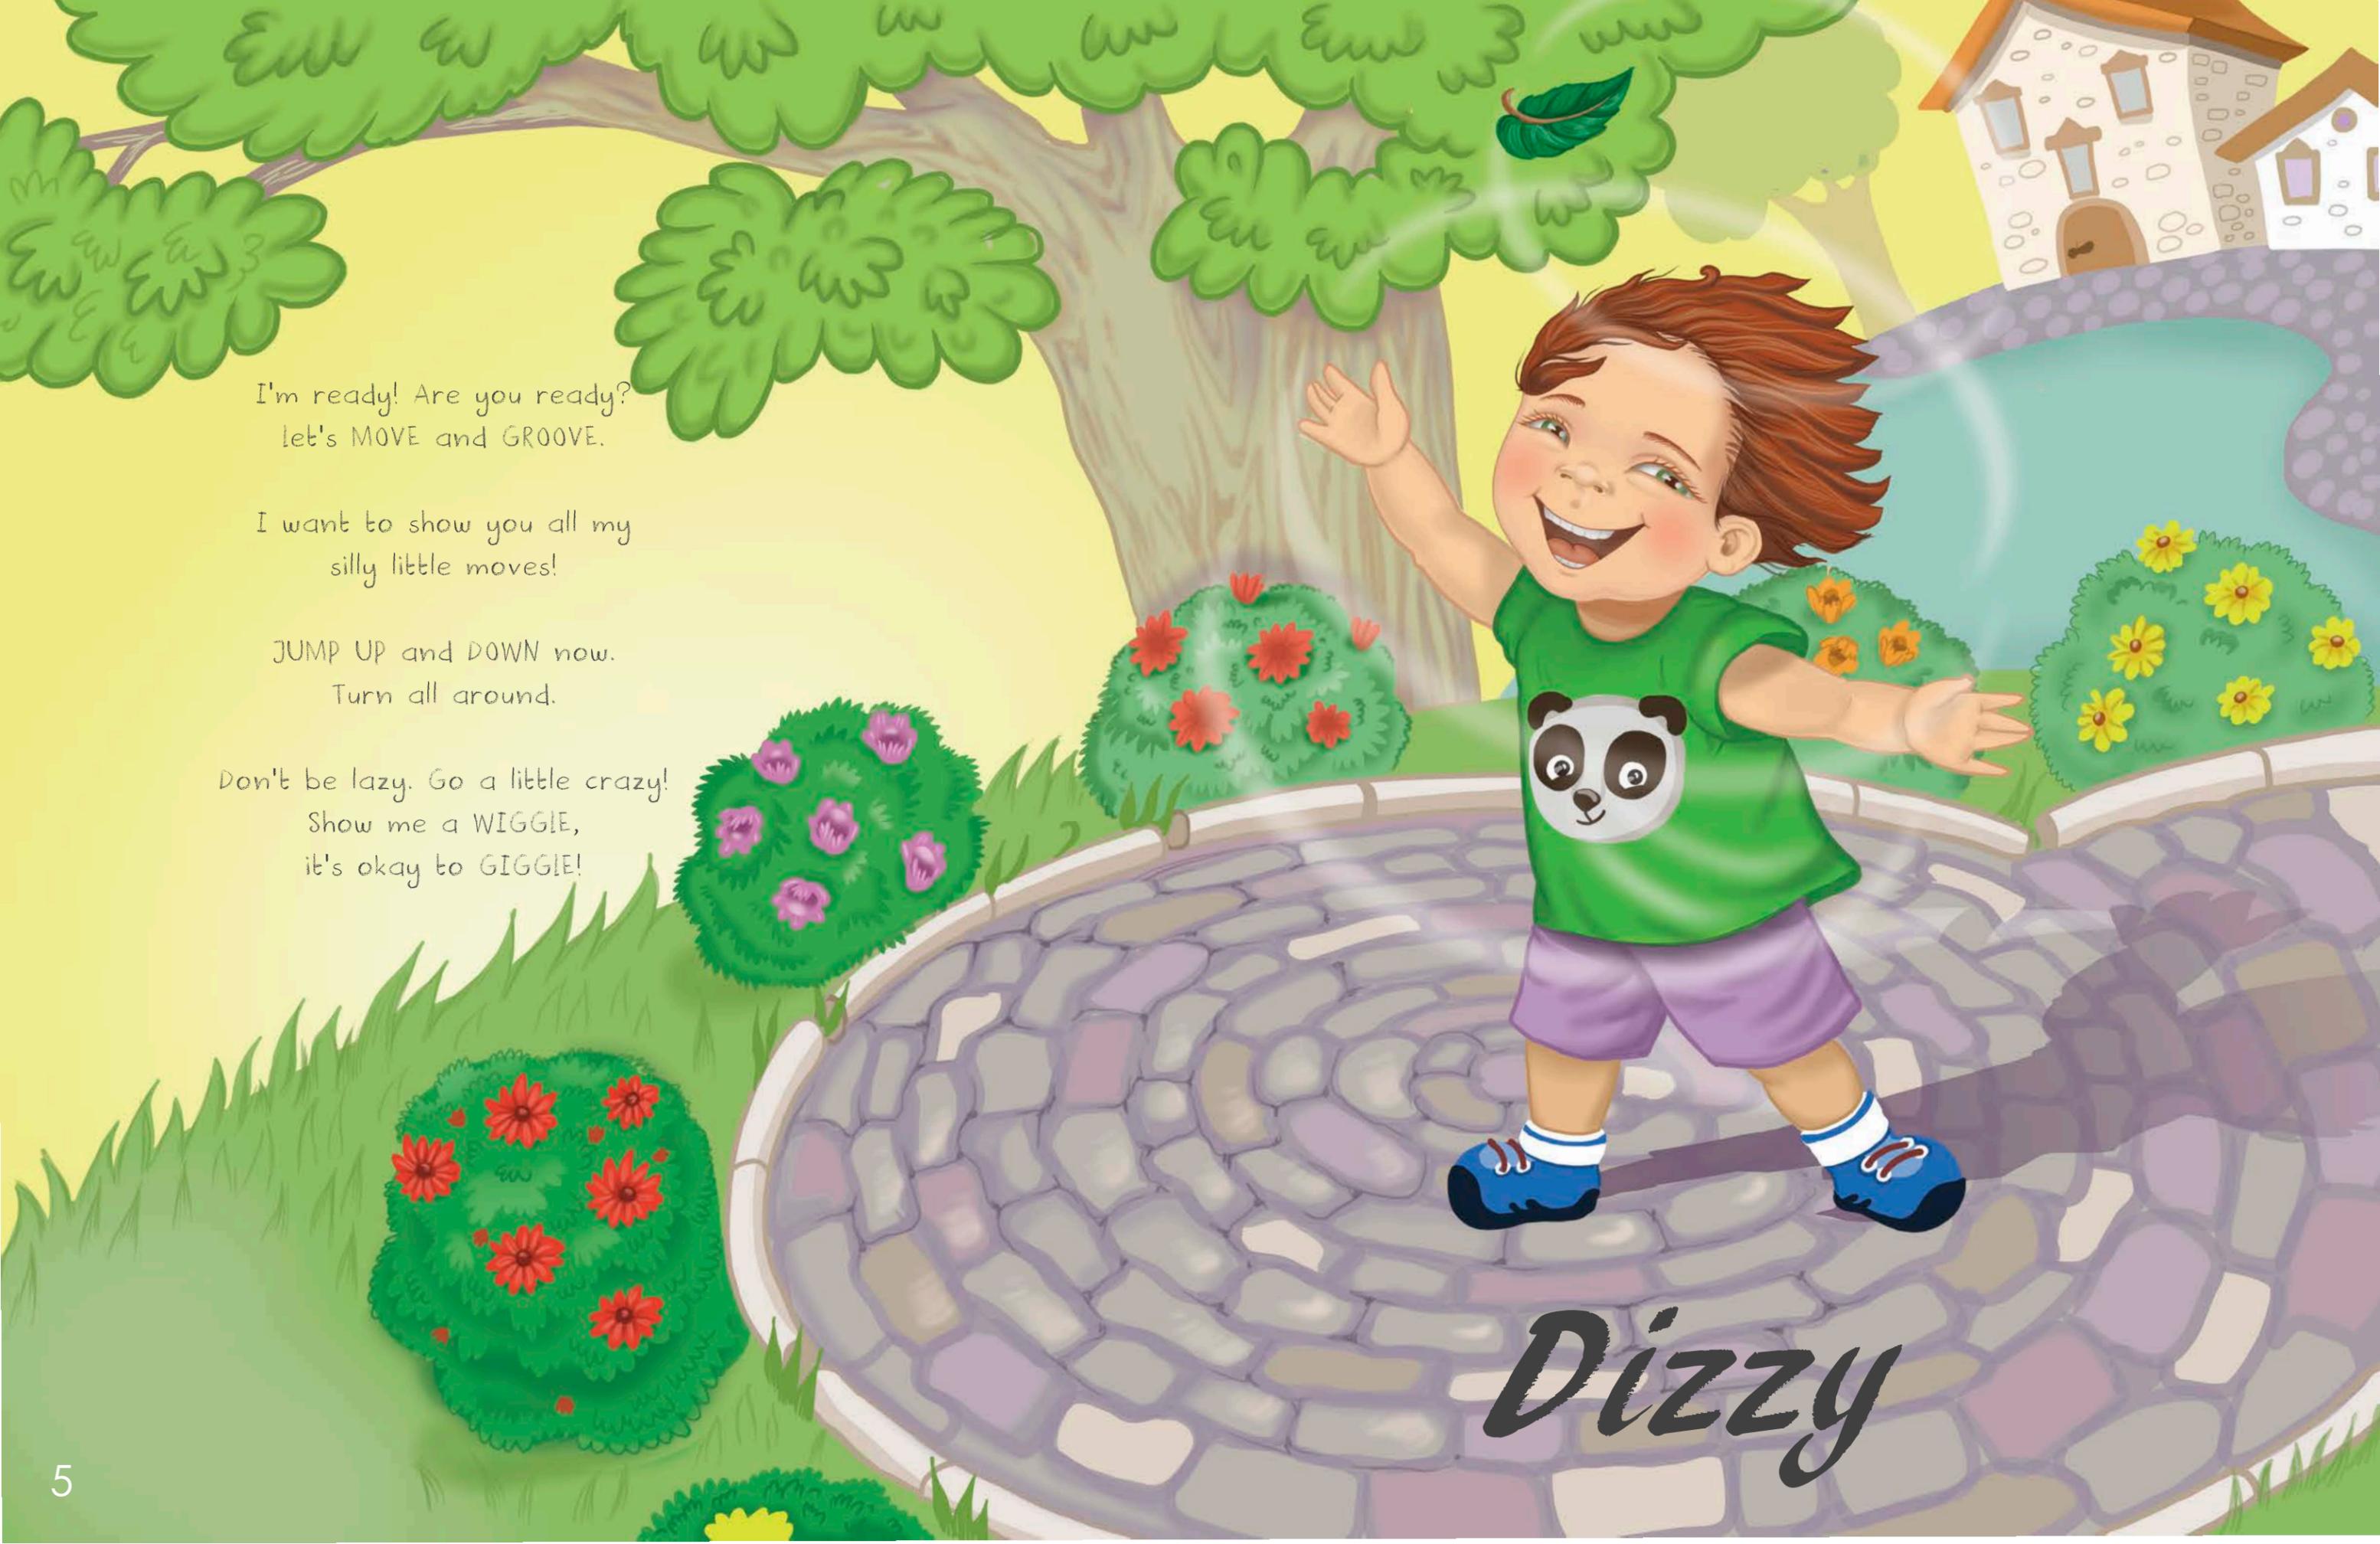

look at you shining on. You've got what it takes to shine on.
look at you SHINING ON! look at you SHINING ON!

Shiny Star I see you there. You can go anywhere.
I know why you shine so bright, it's because you found your light.

SHINE ON, SHINE ON!

look at you shining on. You've got what it takes to shine on.
look at you SHINING ON! look at you SHINING ON!

I'm ready! Are you ready?
Let's MOVE and GROOVE.

I want to show you all my
silly little moves!

JUMP UP and DOWN now.
Turn all around.

Don't be lazy. Go a little crazy!
Show me a WIGGLE,
it's okay to GIGGLE!

Dizzy

Here's a little story of a little girl.
She had a pet TURTLE, and his name was Earl.
With her pet in her pocket she felt safe in the world.
No one made her smile like her TURTLE named Earl!

Here's another story of a little boy.
He had a silly MOUSE whose name was McCoy.
That boy chased McCoy all over the place.
Over the hill and then into space!

What about that friend who felt so alone?
All he wanted was a pet of his own.
So he walked to the shop, and he picked up a FROG.
Now he has a pet whose name is Bob!

Pet Song

Monster Song

Stomp, Stomp. I hear something coming.
Stomp, Stomp. He's coming our way.
Stomp, Stomp. I think it's a MONSTER.
Stomp, Stomp. He's grumpy today!

Hush, Hush. Don't wake up MONSTER.
Hush, Hush. He's got a big frown.
Hush, Hush. Don't wake up MONSTER.
Hush, Hush. Don't make a sound!

Clap, Clap. Go away MONSTER.
Clap, Clap. We're not scared of you.
Clap, Clap. Go away MONSTER.
Clap, Clap. We're not scared of you!

GO AWAY!
YOU BIG GRUMPY MONSTER!

DREAM SONG

Sitting in a tree, dangling my feet, I see a butterfly.
Is this a DREAM?

Look at all the clouds, floating all around. I hear a bird sing.
I feel so FREE? Is this a DREAM?

Look at me, I'm on top of the world now.
I feel so FREE! Is this a DREAM?

Look at me, I can fly now.
Is this a DREAM? I feel so FREE!

Car Song

I'm a car in the parking lot,
with a big steering wheel and a red paint job.

I've been sitting here most of the time,
With nobody here by my side.

I want to go so fast sometimes,
So grab the keys and let's go for a DRIVE!

Take me away from here
and let the wind blow right through your hair.

I want to be free so come with me
and let's DRIVE, let's DRIVE...

Don't STOP, Don't STOP!

How Many in the Band?

Today is a special day, we get to see a band. They're on the stage and ready!
How many are in the band?

He's a SOLO! He sang and played his very own acoustic guitar.
He strummed and sang on his own. He's a SOLO!

They're a DUO! There were two who played together. One with the drum then the other sang and strummed. They're a DUO!

They're a TRIO! One, two, three, they played together. Add a bass with the drums and then the guitar. They're a TRIO!

MUSIC STORE

When I was little I wanted to play, I went to the Music Store that day.
I walked in and I said, "Hello!" I want to try the big Cello!

When I was little I wanted to play, I ran to the Music Store that day. I
saw something so shiny and cute. I want to try that silver Flute!

When I was little I wanted to play, I tip toed to the Music Store that day.
What's that I hear something fun. I want to try all the Drums!

When I was little I wanted to play, I skipped to the Music Store that day. You know what? I'm a Rock Star!
I want to try that Electric Guitar!

When I was little I wanted to play, I walked backwards to
the Music Store that day. What's that I hear something flow.
I want to try that Piano!

When I was little I wanted to play, I didn't
want to leave the store that day. I'm not
ready to go home. I want to try that big
Trombone!

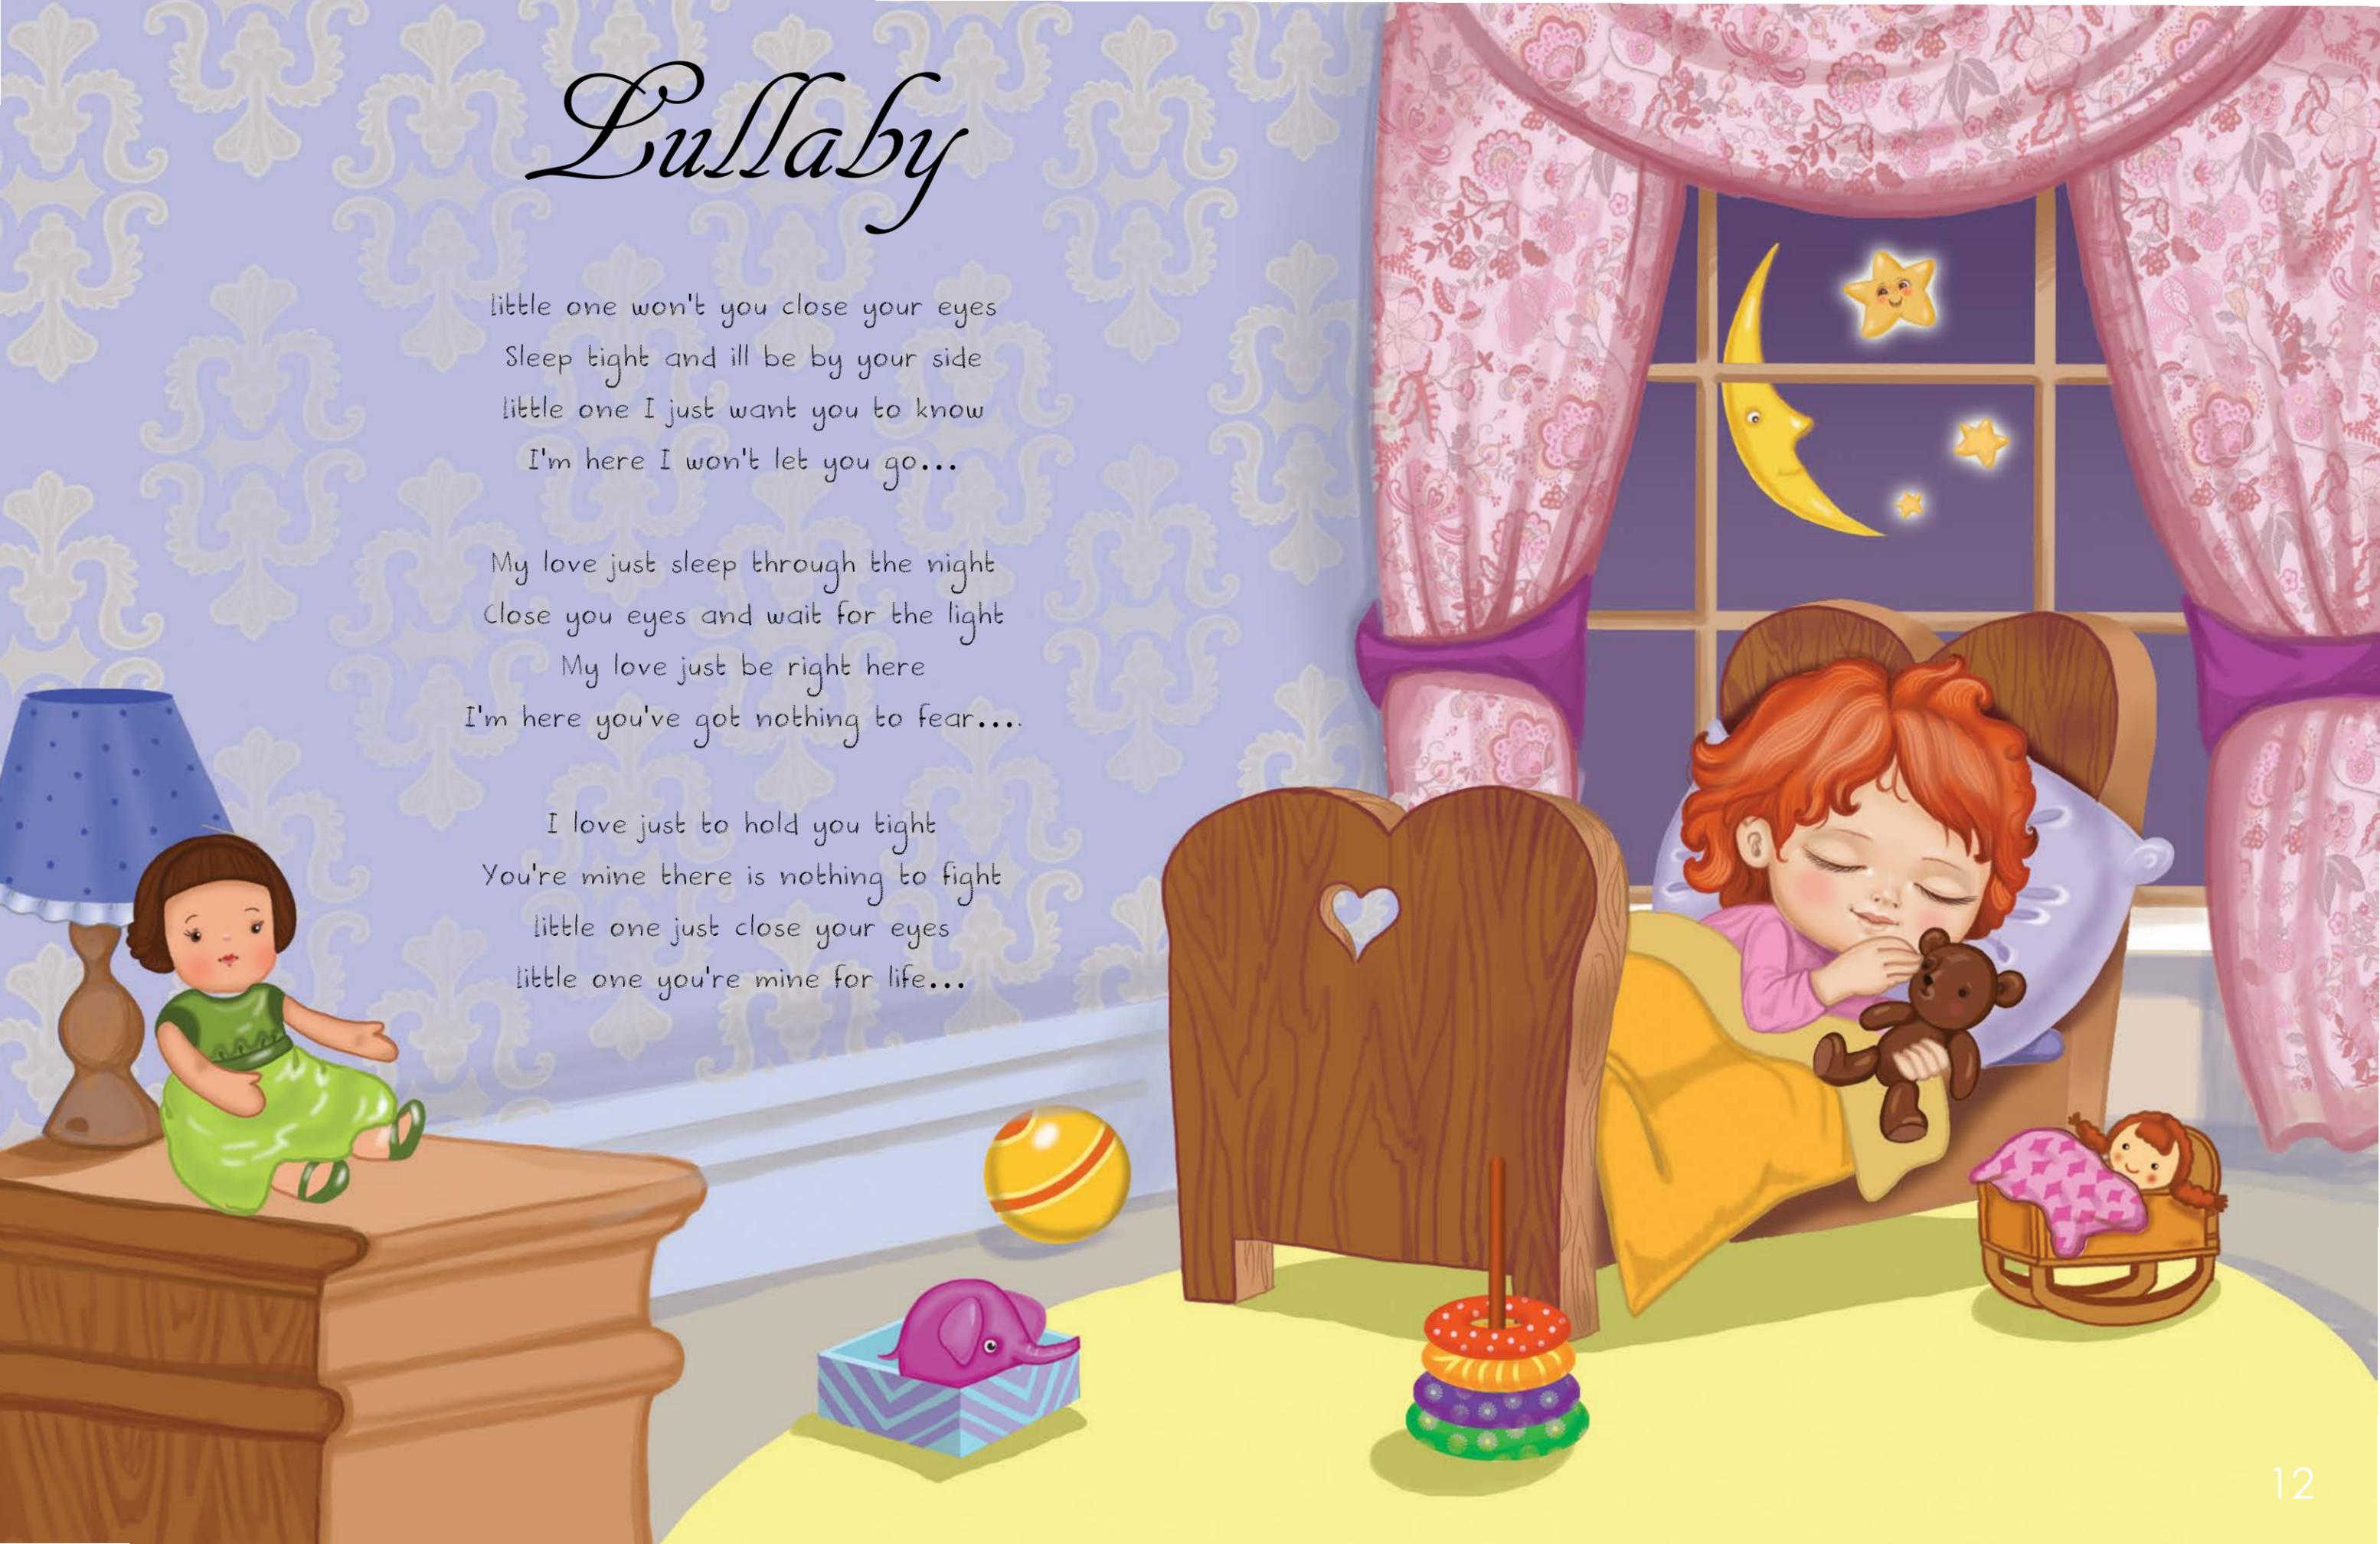

Lullaby

little one won't you close your eyes
Sleep tight and ill be by your side
little one I just want you to know
I'm here I won't let you go...

My love just sleep through the night
Close you eyes and wait for the light
My love just be right here
I'm here you've got nothing to fear....

I love just to hold you tight
You're mine there is nothing to fight
little one just close your eyes
little one you're mine for life...
